Academic advisory board meetings will be convened thrice during each semester.

Nature and extend of involvement of faculty and students and Mechanism for Good Governance

Apart from the academic advisory board meetings, the Principal used to convene periodic meetings with the faculty members to discuss the academic progresses, level of teaching and other academic/non academic matters. The HOD's also convene frequent Departmental Meetings and the report will be submitted to the Principal. The Group tutors will be spending an hour each per week in their respective classes to gather the feedback and suggestions.

IX. Organizational Chart:

X. Student feedback mechanism on Institutional Governance / Faculty performance:

Right from the beginning, college is believing that student is the most important customer of the Institution. The Principal visits every class during each semester and collects the staff evaluation forms from each class, as per AICTE norms

XI. Grievance redressal mechanism for faculty, staff and students:

- College has got a very good group tutor system whereby each class will have a group tutor to whom the students can convey their grievances
- Regarding the faculty and staff the Principal and Management is always open for redressal of any kind of grievances.
- All the faculty members have the freedom to meet the Principal at any time they wish to redress their grievances, if any. Any grievance of the students will be addressed to the Group tutor first which will be forwarded to the concerned HOD for effective redressal . The problems, which are not solved yet, will be put forth.
- An Anti-ragging cell is functioning in the college as per the norms
